Valued Murray Water System Customer:

On Thursday June 27th, City of Murray Water customers along Hwy 280, from Miller Golf Course to the end of the line, will be under a boil water order until further notice, due to a water main break. This will include all side roads and subdivisions.

This includes water for drinking, making ice, washing food, brushing teeth or any other activities involving consumption of water. Water should be brought to a full rolling boil for at least 5 minutes to ensure that it is safe for consumption. Boiled water may be stored at room temperature or refrigerated in a closed container until needed.
