Valued Murray Water System Customer:

On Wednesday November 9<sup>th</sup>, all City of Murray Water customers along Hwy 121 South, from the intersection of Old Murray Paris Rd, to the end of the line, will have their water temporarily shut off for repairs. **This does not include those customers that live on Old Murray Paris Rd.** When service is restored, you will be under a boil water advisory until further notified.

This includes water for drinking, making ice, washing food, brushing teeth or any other activities involving consumption of water. Water should be brought to a full rolling boil for at least 5 minutes to ensure that it is safe for consumption. Boiled water may be stored at room temperature or refrigerated in a closed container until needed.
