

The Center for Accessible Living has received funding under the CARES Act of 2020 to assist people with disabilities who have been directly affected by COVID-19

To be eligible for funding:

- Have a physical, mental or developmental disability.
- If you are not a consumer with our agency become one.
- Fill out a grant application with verification of the need you are requesting

Some Examples of funding received could be:

- rent and utilities assistance
- Food or transportation assistance
- Personal Protective Equipment such as masks, gloves, cleaning supplies or hand sanitizer
- Assistive technology
- transitioning out of a nursing facility

Funding will be based off the need and documentation of that will be required. It must be a need that has directly affected you due to COVID-19. All payments will go to the entity (landlord, utility company) **no cash will be released to the consumer.**

Please contact the center directly at 502-589-6620 and ask for:

Sara Johnson, CARES Act Project Coordinator for additional information or email at sjohnson@calky.org
